IMPERIAL HEALTH PLAN
OF CALIFORNIA

Part D Utilization Management

Imperial Health Plan of California (HMO) (HMO SNP) applies several Quality Assurance and Utilization Management Initiatives that are designed to improve quality, prevent over- and under- utilization and reduce costs. These programs include but are not limited to Medication Therapy Management, Concurrent Drug Utilization Review, and Retrospective Drug Utilization.

CONCURRENT DRUG REVIEW

Imperial Health Plan has policies and procedures designed to ensure that a review of the prescribed drugs is performed at the point of sale or distribution before a prescription is dispensed to a member. Imperial Health Plan, through its Pharmacy Benefits Manager (PBM) MedImpact, promotes appropriate dispensing and use of drugs to ensure high quality of care and cost- effective therapy.

On-line reviews or edits include but are not limited to:

- Duplicate Drug Class
- Drug Age/Gender Edit
- Over/Under utilization
- Incorrect Drug Dosage/Duration of Therapy
- Drug-to-Disease Contraindication
- Drug/Allergy Edits

This program is not considered a benefit.

RETROSPECTIVE DRUG UTILIZATION

Imperial Health Plan utilizes a retrospective Drug Utilization Review (DUR). The DUR is designed to provide ongoing periodic examination of claims data and other records through a computerized drug claims and information retrieval system. The system being used to identify patterns of inappropriate or medically unnecessary drug use associated with specific drugs or groups of drugs.

These DUR reviews include but are not limited to the following:

- Alerts to prescribers on drug related therapy problems.
- Brand and Generic drug utilization with provision of alternative ways to improve costs.

Formulary ID: 24455-Version 17 and 24456-Version 16

Last Updated: 06282024

Effective: 07012024

- Physician utilization reports that identify over/under utilization, patterns of prescribing, poly-pharmacy patients.

This program is not considered a benefit.

You can call us at: 1-877-391-1105 (seven days a week, 24 hours a day) if you have any additional questions. If you have a hearing or speech impairment, please call us at TTY 711.
