**2025 Pharmacy Directory**

This pharmacy directory was updated on 08/2024. For more recent information or other questions, please contact Imperial Health Plan of California, Inc. (HMO) (HMO SNP), at 1-800-838-8271 or, for TTY users, 711, October 1 – March 31: Monday – Sunday, from 8:00 am – 8:00 pm or April 1 – September 30: Monday – Friday, from 8:00 am – 8:00 pm except holidays, or visit [www.imperialhealthplan.com](http://www.imperialhealthplan.com).

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at [www.imperialhealthplan.com](http://www.imperialhealthplan.com). You may also call Member Services at 1-800-838-8271 (TTY/TDD users should call 711) for updated provider information. We strongly suggest that you review our current Pharmacy Directory to see if your pharmacy is still in our network.

**Introduction:** This booklet provides a list of our plan’s network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Imperial Health Plan’s formulary.

When this pharmacy directory refers to “we,” “us”, or “our,” it means Imperial Health Plan of California, Inc. (HMO) (HMO SNP). When it refers to “plan” or “our plan,” it means Imperial Health Plan.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to plan enrollees. In most cases, your prescriptions are covered under our plan only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 08/2024. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is for Northern California which includes the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory contact Member Services, at 1-800-838-8271 or, for TTY users, 711 October 1 – March 31: Monday – Sunday, from 8:00 am – 8:00 pm or April 1 – September 30: Monday – Friday, from 8:00 am – 8:00 pm except holidays.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

## Mail Order Pharmacies

---

**Birdi** 

**1-855-873-8739 (TTY:711)**

You can get prescription drugs shipped to your home through our network mail order delivery program.

For refills of your mail order prescriptions, please contact us 14 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time.

Typically, you should expect to receive your prescription drugs within 14 to 21 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at 1-855-873-8739 or TTY 711.

# Home Infusion Pharmacies

To contact your home infusion pharmacy via TTY Service, you may use the TRS Relay number 711.

Imperial Health Plan will cover home infusion therapy in these situations:

- Your prescription drug is on Imperial Health Plan's formulary.
- You have a formulary exception. This means we have approved your prescription drug for home infusion therapy and your prescription is written by an authorized prescriber.
