Nota para los miembros actuales: Este formulario ha cambiado con respecto al año pasado. Por favor, revise este documento para asegurarse de que aún contiene los medicamentos que toma.

Cuando esta Lista de medicamentos (formulario) menciona “nosotros”, “nos” o “nuestro”, hace referencia a Imperial Health Plan of California, Inc. (HMO) (HMO SNP). Cuando dice “plan” o “nuestro plan”, hace referencia a Imperial Dynamic Plan (HMO).

Este documento incluye la Lista de medicamentos (formulario) de nuestro plan, la cual está vigente al 01/08/2026. Para obtener una Lista de medicamentos (formulario) actualizada, por favor, comuníquese con nosotros. Nuestra información de contacto, junto con la fecha de la última actualización de la Lista de medicamentos (formulario), aparece en la primera página y contraportada.

Generalmente, usted debe acudir a las farmacias de la red para usar el beneficio de medicamentos recetados. Los beneficios, el formulario, la red de farmacias y/o los copagos/coseguro pueden cambiar el 1º de enero de 2027 y de manera periódica durante el año.

¿Qué es el formulario de Imperial Dynamic Plan (HMO)?

En este documento, los términos Lista de medicamentos y formulario significan lo mismo. Un formulario es una lista de medicamentos cubiertos que Imperial Dynamic Plan (HMO) selecciona con la colaboración de un equipo de proveedores de atención médica y que representa los tratamientos recetados que se consideran una parte necesaria de un programa de tratamiento de calidad. Normalmente, Imperial Dynamic Plan (HMO) cubrirá los medicamentos que se encuentran incluidos en el formulario, siempre que el medicamento sea médicamente necesario, que una farmacia de la red de Imperial Dynamic Plan (HMO) surta el medicamento recetado y que se cumpla con otras normas del plan. Para obtener más información sobre cómo surtir sus medicamentos recetados, por favor, consulte su Evidencia de Cobertura.

¿El formulario puede cambiar?

La mayoría de los cambios que se realizan en la cobertura de medicamentos ocurren el 1º de enero, pero nosotros podríamos agregar o quitar medicamentos del formulario durante el año, moverlos a diferentes niveles de costo compartido o agregar nuevas restricciones. Debemos cumplir con las normas de Medicare al hacer estos cambios. Las actualizaciones del formulario se publican todos los meses en nuestro sitio web: www.imperialhealthplan.com.

Cambios que pueden afectarle durante este año: En los casos que se mencionan a continuación, usted se verá afectado(a) por los cambios en la cobertura durante el año:

- **Sustituciones inmediatas de determinadas versiones nuevas de medicamentos de marca y productos biológicos originales.** Podemos eliminar inmediatamente un medicamento de nuestro formulario si lo vamos a reemplazar con una determinada versión nueva de ese medicamento que aparecerá en el mismo nivel de costo compartido o en un nivel más bajo y con las mismas o menos restricciones. Cuando agregamos una nueva versión de un medicamento a nuestro formulario, podemos decidir mantener el medicamento de marca o un producto biológico original en nuestro formulario, pero moverlo de inmediato a un nivel de costo compartido diferente o agregar restricciones nuevas.

Podemos realizar estos cambios inmediatos solo si estamos añadiendo una nueva versión genérica de un medicamento de marca o añadiendo determinadas versiones biosimilares nuevas de un producto biológico original que ya estaba en el formulario (por ejemplo, agregar un biosimilar intercambiable que una farmacia pueda sustituir por un producto biológico original sin una receta nueva).

Si usted está tomando actualmente el medicamento de marca o el producto biológico original, es posible que no le informemos con anticipación que realizaremos un cambio inmediato, pero, posteriormente, le proporcionaremos información sobre los cambios específicos que hemos realizado.

Si, de hecho, realizamos un cambio, usted o la persona que emite sus recetas puede solicitarnos que hagamos una excepción y que continuemos brindándole la cobertura del medicamento que se está cambiando. Para obtener más información, consulte la sección que se presenta a continuación titulada “¿Cómo puedo solicitar una excepción al formulario de Imperial Dynamic Plan (HMO)?”.

Algunos de estos tipos de medicamentos pueden ser nuevos para usted. Para obtener más información, consulte la sección que se presenta a continuación titulada “¿Qué son los productos biológicos originales y cómo se relacionan con los biosimilares?”.

- **Medicamentos retirados del mercado.** Si un fabricante retira un medicamento del mercado o la Administración de Alimentos y Medicamentos (Food and Drug Administration, FDA) determina que se debe retirar por razones de seguridad o eficacia, podemos eliminar inmediatamente el medicamento de nuestro formulario y, posteriormente, notificar a los miembros que toman el medicamento.
- **Otros cambios.** Podemos hacer otros cambios que afectan a los miembros que actualmente toman un medicamento. Por ejemplo, podemos retirar un medicamento de marca del formulario cuando agreguemos un equivalente genérico o retirar un producto biológico original cuando agreguemos un biosimilar. También podemos aplicar nuevas restricciones al medicamento de marca o al producto biológico original, o moverlo a un nivel de costo compartido diferente o ambas. Podemos realizar cambios en función de las nuevas pautas clínicas. Si retiramos medicamentos de nuestro formulario, agregamos autorizaciones previas, restricciones para los límites de cantidad y/o restricciones a la terapia escalonada con respecto a un medicamento, o movemos un medicamento a un nivel mayor de costo compartido, debemos notificarles a los miembros afectados por el cambio al menos 30 días antes de que dicho cambio entre en vigencia. De manera alternativa, cuando un miembro solicita un resurtido del medicamento, dicho miembro puede recibir un suministro del medicamento para 30 días y un aviso sobre el cambio.

Si realizamos estos otros cambios, usted o la persona que emite sus recetas puede solicitarnos que hagamos una excepción para usted y que continuemos la cobertura del medicamento que ha estado tomando. En el aviso que le proporcionamos también se incluirá información sobre cómo solicitar una excepción; además usted también puede encontrar información en la sección que se presenta a continuación titulada “¿Cómo puedo solicitar una excepción al formulario de Imperial Dynamic Plan (HMO)?”.

Cambios que no le afectarán si usted está tomando actualmente el medicamento. En general, si se encuentra tomando un medicamento que se encuentra en nuestro formulario para 2026 que estaba cubierto al comienzo del año, nosotros no descontinuaremos ni reduciremos la cobertura del medicamento durante el año de cobertura 2026, excepto tal como se describió anteriormente. Esto significa que, durante el resto del año de cobertura, estos medicamentos continuarán disponibles al mismo costo compartido y sin nuevas restricciones para aquellos miembros que estén tomándolos. Usted no recibirá un aviso directo sobre los cambios que no le afectan durante este año. Sin embargo, dichos cambios le afectarían a partir del 1º de enero del año siguiente, y es importante que revise el formulario del nuevo año de beneficios para determinar si hubo algún cambio en los medicamentos.

El formulario adjunto está vigente al 01/08/2026. Para obtener información actualizada sobre los medicamentos que Imperial Dynamic Plan (HMO) cubre, por favor, comuníquese con nosotros. Nuestra información de contacto aparece en la primera página y contraportada. En caso de que se realicen cambios en el formulario durante el año del plan que no estén relacionados con el mantenimiento, es posible que hagamos cambios a través de las hojas de correcciones (fe de erratas) que le enviemos. Además, usted puede visitar nuestro sitio web para encontrar un enlace a la hoja de correcciones (fe de erratas).

¿Cómo utilizo el formulario?

Hay dos maneras de encontrar su medicamento dentro del formulario:

Condición médica

El formulario comienza en la página 13. Los medicamentos presentes en este formulario están agrupados en categorías según el tipo de condición médica para cuyo tratamiento se emplean. Por ejemplo, los medicamentos utilizados para tratar una condición cardíaca se enumeran dentro de la categoría “CARDIOVASCULAR”. Si sabe para qué se utiliza su medicamento, busque el nombre de la

categoría en la lista que empieza en la página 9. Luego, busque su medicamento debajo del nombre de la categoría.

Lista en orden alfabético

Si no está seguro(a) de qué categoría consultar, debe buscar su medicamento en el Índice que comienza en la página 168. El Índice proporciona una lista en orden alfabético de todos los medicamentos que se encuentran incluidos en este documento. Tanto los medicamentos de marca como los genéricos se encuentran mencionados en el Índice. Busque en el Índice y encuentre su medicamento. Junto a su medicamento, usted verá el número de página donde puede encontrar información de cobertura. Vaya a la página que figura en el Índice y encuentre el nombre de su medicamento en la primera columna de la lista.

¿Qué son los medicamentos genéricos?

Imperial Dynamic Plan (HMO) cubre tanto los medicamentos de marca como los genéricos. Un medicamento genérico está aprobado por la Administración de Alimentos y Medicamentos (Food and Drug Administration, FDA) dado que tiene el mismo ingrediente activo que el medicamento de marca. Por lo general, los medicamentos genéricos funcionan igual de bien que los medicamentos de marca y usualmente tienen un costo menor. Hay medicamentos genéricos sustitutos que se encuentran disponibles para muchos medicamentos de marca. Normalmente, los medicamentos genéricos pueden ser sustituidos por los medicamentos de marca en la farmacia sin necesidad de obtener una receta nueva, dependiendo de las leyes estatales.

¿Qué son los productos biológicos originales y cómo se relacionan con los biosimilares?

En el formulario, cuando nos referimos a medicamentos, esto podría significar un medicamento o un producto biológico. Los productos biológicos son medicamentos más complejos que los medicamentos típicos. Dado que los productos biológicos son más complejos que los medicamentos típicos, en lugar de tener una forma genérica, tienen alternativas que se denominan biosimilares. Por lo general, los biosimilares funcionan igual de bien que el producto biológico original y pueden costar menos. Existen alternativas biosimilares para algunos productos biológicos originales. Algunos biosimilares son biosimilares intercambiables y, dependiendo de las leyes estatales, estos pueden ser sustituidos por el producto biológico original en la farmacia sin necesidad de una nueva receta, al igual que los medicamentos genéricos pueden ser sustituidos por los medicamentos de marca.

Para obtener información sobre los tipos de medicamentos, consulte la Evidencia de cobertura, Capítulo 5, Sección 3.1, "En la Lista de medicamentos se indica qué medicamentos de la Parte D están cubiertos".

¿Mi cobertura tiene alguna restricción?

Algunos medicamentos cubiertos pueden tener requisitos o límites adicionales de cobertura. Estos requisitos y límites pueden incluir lo siguiente:

- **Autorización previa:** Nuestro plan exige que usted o la persona que emite sus recetas obtenga una autorización previa para determinados medicamentos. Esto significa que usted necesitará obtener la aprobación de Imperial Dynamic Plan (HMO) antes de que le surtan sus medicamentos recetados. Si no consigue la aprobación, es posible que no cubramos el medicamento.
- **Límites de cantidad:** Para ciertos medicamentos, Imperial Dynamic Plan (HMO) limita la cantidad del medicamento que cubriremos. Por ejemplo, nuestro plan proporciona 30 tabletas/30 días por receta de Atorvastatin 20mg. Esto puede ser adicional a un suministro estándar para uno o tres meses.

- **Terapia escalonada:** En algunos casos, nuestro plan requiere que usted pruebe primero ciertos medicamentos para tratar su condición médica antes de que cubramos otro medicamento para dicha condición. Por ejemplo, si tanto el medicamento A como el medicamento B tratan su condición médica, es posible que Imperial Dynamic Plan (HMO) no cubra el medicamento B a menos que usted pruebe primero el medicamento A. Si el medicamento A no funciona para su condición, entonces cubriremos el medicamento B.

Para averiguar si su medicamento tiene requisitos o límites adicionales, consulte el formulario que empieza en la página 13. También puede obtener más información sobre las restricciones que se aplican a medicamentos cubiertos específicos en nuestro sitio web. Hemos publicado documentos en línea que explican nuestras restricciones para la autorización previa y para la terapia escalonada. Además, usted puede solicitarnos que le enviemos una copia. Nuestra información de contacto, junto con la fecha de la última actualización del formulario, aparecen en la primera página y contraportada.

Usted puede pedir que nuestro plan haga una excepción a estas restricciones o límites o puede solicitar una lista de otros medicamentos similares que podrían tratar su condición médica. Para obtener información acerca de la manera en que puede solicitar una excepción, consulte la sección “¿Cómo puedo solicitar una excepción al formulario de Imperial Dynamic Plan (HMO)?” que se encuentra en la página 6.

¿Qué son los medicamentos de venta sin receta (over-the-counter, OTC)?

Los medicamentos de venta sin receta (OTC) son medicamentos que no requieren ser recetados y que un Plan de Medicamentos Recetados de Medicare usualmente no cubre. Imperial Dynamic Plan (HMO) paga por determinados medicamentos OTC. Imperial Dynamic Plan (HMO) proporcionará estos medicamentos OTC sin costo alguno para usted. El costo que Imperial Dynamic Plan (HMO) asume por estos medicamentos OTC no se contará como parte de los costos totales de sus medicamentos de la Parte D.

¿Qué pasa si mi medicamento no está en el formulario?

Si el medicamento que toma no está incluido en este formulario (lista de medicamentos cubiertos), primero debe comunicarse con nuestro Departamento de Membresía y preguntar si su medicamento está cubierto.

Si averigua que Imperial Dynamic Plan (HMO) no cubre el medicamento que toma, usted tiene dos opciones:

- Puede pedir a nuestro Departamento de Membresía una lista de medicamentos similares que nuestro plan cubra. Cuando reciba la lista, muéstresela a su médico y solicítele que le recete un medicamento similar que Imperial Dynamic Plan (HMO) cubra.
- Puede solicitarnos que hagamos una excepción y que cubramos su medicamento. Consulte la sección que se presenta a continuación para obtener información sobre cómo solicitar una excepción.

¿Cómo puedo solicitar una excepción al formulario de Imperial Dynamic Plan (HMO)?

Usted puede solicitar que Imperial Dynamic Plan (HMO) haga una excepción a nuestras normas de cobertura. Hay diversos tipos de excepciones que puede solicitarnos.

- Puede pedirnos que cubramos un medicamento, incluso si no está en nuestro formulario. Si se aprueba, este medicamento estará cubierto a un nivel de costo compartido predeterminado, y usted no podrá solicitarnos que le brindemos el medicamento a un nivel de costo compartido menor.
- Puede pedirnos que no apliquemos una restricción de cobertura, incluidos la autorización previa, la terapia escalonada o el límite de cantidad para su medicamento. Por ejemplo, para ciertos medicamentos, nuestro plan limita la cantidad del medicamento que cubriremos. Si su medicamento tiene un límite de cantidad, usted puede solicitarnos que no apliquemos el límite y cubramos una cantidad mayor.
- Puede solicitarnos que cubramos un medicamento presente en el formulario a un nivel de costo compartido menor, a menos que el medicamento se encuentre dentro del nivel de medicamentos de especialidad. Si se aprueba, esto reduciría el monto que usted debe pagar por su medicamento.

Por lo general, Imperial Dynamic Plan (HMO) solo aprobará su solicitud de una excepción si los medicamentos alternativos que se encuentran incluidos en el formulario del plan, el medicamento de costo compartido menor o la aplicación de la restricción no fueran tan efectivos para usted y/o pudieran causarle efectos adversos.

Usted o la persona que emite sus recetas debe comunicarse con nosotros para solicitar una excepción al nivel o una excepción al formulario, incluida una excepción a una restricción de cobertura. ***Cuando solicita una excepción, la persona que emite sus recetas tendrá que explicar las razones médicas por las cuales usted necesita la excepción.*** Por lo general, debemos tomar una decisión dentro de un período de 72 horas a partir de la fecha en que recibimos la declaración de respaldo que la persona que emite sus recetas proporcione. Usted puede pedir una decisión acelerada (rápida) si considera, y nosotros estamos de acuerdo, que esperar 72 horas para recibir una decisión podría perjudicar gravemente su salud. Si estamos de acuerdo, o si la persona que emite sus recetas solicita una decisión rápida, debemos proporcionarle una decisión a más tardar dentro de un período de 24 horas después de recibir la declaración de respaldo que la persona que emite sus recetas proporcione.

¿Qué puedo hacer si mi medicamento no está en el formulario o tiene una restricción?

Como miembro nuevo(a) o permanente de nuestro plan, es posible que esté tomando medicamentos que no están incluidos en nuestro formulario. O es posible que esté tomando un medicamento que está en nuestro formulario, pero que tiene una restricción de cobertura, tal como una autorización previa. Debe hablar con la persona que emite sus recetas sobre cómo solicitar una decisión de cobertura para probar que usted cumple con los criterios de aprobación, cambiar a un medicamento alternativo que cubramos o solicitar una excepción al formulario para que cubramos el medicamento que toma. Mientras usted y su médico determinan el procedimiento adecuado que se debe seguir en su caso, nosotros podemos cubrir su medicamento en ciertos casos durante los primeros 90 días en que usted sea miembro de nuestro plan.

Cubriremos un suministro temporal para 30 días para cada uno de sus medicamentos que no esté en nuestro formulario o que tenga una restricción de cobertura. Si su receta está emitida por una menor cantidad de días, permitiremos que realice resurtidos del medicamento por un máximo de hasta 30 días. Si no se aprueba la cobertura, después de su primer suministro para 30 días, no seguiremos pagando estos medicamentos, incluso si ha sido miembro del plan durante menos de 90 días.

Si es residente de un centro de atención a largo plazo y necesita un medicamento que no se encuentra en nuestro formulario o si su capacidad para conseguir los medicamentos es limitada, pero ya pasaron

los primeros 90 días de membresía en nuestro plan, cubriremos un suministro de emergencia de dicho medicamento para 31 días mientras busca que le otorguen una excepción al formulario.

Las excepciones se encuentran disponibles para aquellos beneficiarios que hayan sufrido un cambio en el nivel de la atención que están recibiendo, lo cual les exige que se muden de una instalación o centro de tratamiento a otro. Algunos de los ejemplos de situaciones en las que los beneficiarios serían elegibles para una excepción de surtido temporal único cuando se encuentran fuera del plazo de tres meses de entrada en vigencia en el programa de la Parte D son los siguientes:

1. Los beneficiarios que son dados de alta del hospital y reciben una lista de medicamentos del alta según el formulario del hospital.
2. Los beneficiarios que terminan su estadía en un centro de enfermería especializada de la Parte A de Medicare (en la que los pagos incluyen todos los gastos de farmacia) y que necesitan volver al formulario de su plan de la Parte D.
3. Los beneficiarios que renuncian a su estatus de hospicio para volver a los beneficios estándares de Parte A y B de Medicare.
4. Los beneficiarios que son dados de alta de hospitales para pacientes psiquiátricos crónicos con regímenes de medicamentos que son altamente personalizados.
